## Upcoming Events:

- School will be dismissed Thursday December $20^{\text {th }}$ at noon. Please make sure to send your child's sack lunch form back by December $10^{\text {th }}$ if you would like your child to have school lunch.
- We have started a new lunch bunch group. We will be reading Escape Under the Forever Sky.
- Continue to read and sign reading_logs
- Please make sure your child is dressing for the weather each day. Snow pants, boots, gloves, and hats are required when there is snow.

Language: Students are going to learn about the different types of nouns and how to use them in a sentence. We will be starting with common and proper nouns.

Math: Continue to practice multiplication facts and practice division facts. We have been learning about the landmark multiples such as $10,20,30$ etc. We will begin to understand the effect of multiplying by a number of 10 (describe the relationship between $3 \times 4$ and $3 \times 40$. We will focus on the points of determining the effect on the product when a factor is doubled or halved. Develop strategies for multiplying that involve breaking apart numbers.

Social Studies: We will continue learning about the Sioux. We will be writing an informational text about the Sioux. Also, we will be watching a few video about the Sioux. We will also be locating the reservations in SD and exploring the towns located in these reservations.

Reading: Students will be reading the "The Bakers Neighbor" this week. We will also be starting to learn about figurative language. Also, will locate cause and effect elements in a story.

Science: We are finishing up with the circulatory system this week. Students have a smart response quiz on Monday over the circulatory system and then we: will begin the urinary system.
