

MRS. MALCOM'S CLASS

February 19-22

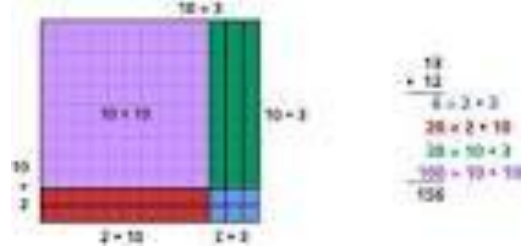

Upcoming Events:

- No School Monday, February 18th.
- AR deadline will be on March 20th.
- **Continue to read and sign reading logs.**
- Please make sure your child is dressing for the weather each day. Snow pants, boots, gloves, and hats are required when there is snow.

Language: Students will review this week on the nine different types of nouns we have learned about. Friday students will be tested over their nouns.

Math: We will begin learning about 2 digit by 2 digit multiplication problems using the area model. We will also be learning long division.

Social Studies: We will be finishing up our Lewis and Clark scripts for our documentaries that we will be making in tech. We will also begin locating information about the west region.

Reading: Students have been learning about the Genre "Fairy Tales". We are finishing up the unit. Next week will be the student's last assignment on this topic. Students will be grouped together and will have to write a made up fairy tale consisting of what they have learned about fairy tales.

Science: Students have started learning about static and current electricity. We will be covering what makes a light bulb and how electricity works and flows. We will also be covering magnets in this unit. By the end of the unit students should be able to build their own circuits.
