## Mrs. Malcom's Newsletter November 26-30

## **Upcoming Events:**

 Lunch bunch should be wrapping up reading the book <u>A Dog Called Kitty</u>.
 We will meet on November 27<sup>th</sup>.

**Reading:** This week students will be using information they have learned to build their own informational text book about puffins or orangutans. Students will research one of the animals and find information they feel is important about their animal. When research is finished they will start the rough draft phase of their book. This book will take a couple of weeks to complete in class.

**Science:** Students are moving on to the respiratory system. Monday the students will be introduced to the system and what types of organs are in this system. After learning about the system and putting it in their small skeletons the students will have a small quiz about the respiratory system on Monday, December 3rd.

**Language:** Students are learning about the writing process and how to write a creative persuasive essay.

**Math:** We have started with division we will continue to work on division. Knowing Multiplication facts will help. Division with remainders, and we will use pictures, diagrams, and models to represent division problems. We will also be solving division story problems. Also, how division and Multiplication are related.

**Social Studies**: We will begin by the Sioux Native Americans. We will learn about the buffalo and how they were used. Also, explore a winter count and what the pictures may represent. After we will be writing about the Sioux and locating the different reservations in SD.
