

REVING UP FOR LEARNING

IN MRS. MALCOM'S CLASSROOM

October 15-19

Special Announcements:

- Please make arrangements with your child so that they know where they need to be after school.
- Book orders should be in soon!
- Conferences are coming up in November. I will send home a sheet with your child about the time I have scheduled you for. I will try to work with everyone's schedule but remember I have 26 students so try to be flexible with the time. These will be student led conferences.
- AR points for students are due October 31st. Celebration will be on November 2nd if they met their AR goal.

Thursday 18

Choice 1: Turkey & Gravy
Choice 2: Pork Sandwich
Breakfast: Breakfast Round

Friday 19

Choice 1: Chicken Nuggets
Choice 2: Beef Stroganoff
Breakfast: Blueberry Muffin

Math: Students should have taken sometime this weekend to practice any unknown facts with multiplication fact cards I have sent home. As a way to continue learning these facts the students will be playing some games to help learn these facts. This week students will take time to practice each day this week. I am asking for a parent signature so I know that they had practiced. For any unknown facts they are to use a strategy to solve for the product. Instead of giving them the answer **To help promote problem solving, ask your child, "What strategies are you going to use to solve this problem?"**

Reading:

We just started our lesson on Friday about sequencing. This week we will be covering what sequencing is and how to summarize a story using sequencing. During the middle of the week we will begin a new story known as "The Nights of the Puffings." The test on this story will be the following week.

Spelling: List #7 /or/

We will have our spelling test on each Thursday and a new list will be coming home on Friday.

Challenge List: forward, yourself, support, orange, anymore, ignore, portrait, border, course, tornado

Regular List: pour, orbit, fourth, source, sports, force, order, wore, sore, your

Review words: oh, person, hot, anything, hold

Challenge words: emperor, monarch, kingdom, palace, noble

Spelling packet due Thursday, Oct. 18

Science:

Time for a new unit! This Monday we will be starting with the body system. The first topic we will be covering in class is the nervous system. Throughout the week the students will learn how the brain and the nervous system control different parts of our body. Also there will be a short quiz on Friday about this system.

Social Studies:

We will discuss how dinosaurs roamed SD. We will be finding information on the famous T-Rex found in South Dakota named Sue. Students will have a computer scavenger hunt to look for answers about Sue. Also, watch a video and about Sue and read about prehistoric times.

Language: We are finishing up with the 4 types of sentences. Students will select a picture and write the 4 types of sentences about the picture. The sentences have to be at least seven words long. This project will be saved to their flash drive.
DOL is continued daily.

Technology: The students have learned about blogging and will begin to blog online on their own this week. Blogging will also be used as a form of assessment in other subjects other than technology.

Together WE Can Accomplish More!

Lets make this a great year for your child.
